RICOH
SP 8400DN

60
ppm Monochrome

Speed and reliability in equal measure.

When you need a robust, high-performance solution, the Ricoh SP 8400DN is here to transform your workflow. Printing the first page in just 2.2 seconds, this A3 60ppm Black and White printer with multiple finishing options is perfect if your daily business does not allow you to wait for your print output. Experience the difference with the SP 8400DN, our first A3 Black and White printer with a Smart Operation Panel, a tablet-like 10.1-inch interface that's built to boost your productivity.

- At 60ppm, speed meets reliability in a durable design built for constant use
- Easy to operate using the intuitive 10.1-inch touchscreen Smart Operation Panel
- Powerful controller provides full speed printing of even the most complex jobs
- Versatile and compact with multiple finishing options in a small footprint printer
- Environmentally friendly with lowest TEC value in its class

The perfect all-round package.

Fast. Powerful. Reliable.

With an overall print output of 60ppm, this A3 printer features a 2.2 second first print out speed. So if you need something fast, this Black and White printer offers the reliability to deliver time after time. Making it perfectly suited to a range of business critical environments.

Do more. Get Smart.

Our Smart Operation Panel is built to enhance your workflow with smart apps that extend your printer's functionality, and process even the most complex jobs. So you can – via the on-screen browser – access your files stored in the Cloud, then view and print them seamlessly.

High output. Low impact.

Eco-friendly features mean you save on costs and increase environmental sustainability without compromising on productivity. And with low power consumption, this printer offers a low overall TEC value, meeting environmental goals and saving you money.

More options. More output.

With a large standard paper capacity of 1,200 sheets, and allowing up to 4,700 sheets, the SP 8400DN even supports printing on 300 gsm paper. It also includes multiple finishers, a stapleless mode option and an internal-folding unit that doesn't compromise device size.
